UPHOLSTERED WALL PANELS
TRANSFORM the interior from ordinary to extraordinary:

- 👉 They instantly elevate the look of your room, giving it a luxurious and *HIGH-END* feel.
- 👉 They add a sense of richness and depth to the room that is hard to achieve with paint or wallpaper.
- 👉 They create a *COZY* and inviting atmosphere.

HOME THEATER

Fiber optics Star Ceiling and Upholstered Wall Panels give your Home Theater depth and create an immersive sensation that enhances your movie viewing experience by absorbing sound waves and preventing cross reflection.

Our works are part of multi-million dollar projects and exclusive interior designs

Operated by Husband & Wife Team

‘We specialize in upholstery for 15 years and take great pride in quality we provide for our clients. After gaining experience in upholstery of luxury cars, private jets and exclusive furniture we combined our best skills to focus on handcrafting finest quality wall panels and custom beds. We love what we do and happy to bring the joy of cozy living and unique atmosphere to our customers.’

We offer smooth process from design to installation. Our team will prepare a visual for your projects to make it easy for you to understand the design.

We will design the wall layout for you making necessary corrections until you are pleased with the result, or we can recreate a design you chose yourself.
